Class: **5**

Number of Students: **20**

Key: ✓ Correct . Missing Z Double Entry E Earth Science L Life Science P Physical Science

Note: School refers to your school's performance in that year and subject. Country percentile and % correct are based on all Country's students sitting the test in February 2008. International refers to performance across all countries.

The percentile rank is a number between 0 and 100 indicating the percent of cases in a group falling at or below that score. For example, achieving a school percentile rank of 25 means that the score is equal to or better than 25% of the students from the school taking the test. School percentile is provided where the class number is greater than 14.
