Grammar & Punctuation – Years 3 to 10

Administration Written Spelling: 30 minutes – group
Grammar & Punctuation: 30 minutes – group

The **Progressive Achievement Tests in Written Spelling, Punctuation and Grammar** have been developed especially, but not exclusively, for use in Australian schools. They provide teachers with objective information for setting realistic learning goals and planning effective English programs.

Key Features

- Tests that reflect the emphasis on language in the English national curriculum
- Comprises 2 components: Written Spelling and Grammar & Punctuation
- Structured so that skills across a wide range of year levels can be assessed validly
- Norm, diagnostic and descriptive reports similar to those provided for **PAT-R**
- CD-ROM containing copy masters of administration instructions, score keys, diagnostic reports and Excel spreadsheet for recording group results

Assessment Content

Written Spelling

Eight normed and graded tests; results are reported and normed on the existing **PAT-R** Spelling scale, providing a comprehensive assessment of spelling, both through dictation and written text.

Grammar & Punctuation

Seven normed and graded tests set on a common developmental scale for reporting results on each test; allows for the collection of diagnostic information from student responses and the tracking of progress from year to year.

Specimen Sets

A Specimen Set allows you to evaluate and compare testing programs and can be purchased on 30 days approval. A Specimen Set contains an administration manual, CD-ROM and one of each of the test components.

What is OMR?

OMR stands for Optical Mark Recognition and indicates that test or survey response sheets can be scanned and computer scored. Where OMR Answer Sheets are available with an ACER assessment, completed Answer Sheets can be sent to ACER Test Scoring Services for scoring and generating of reports. This service is objective, informative and saves teachers valuable time!

Look out for these symbols on the assessments. OMR Non-OMR
